### **Finishing Steps**

Use a yarn needle and the tail ends of the yarn to sew the seashells to the body.

Carefully sew the arms onto the body between rounds 11 and 12, over the seashells. If desired, you can stitch the openings at the tops of the arms flat before sewing the arms to the body.

Sew the hair piece to the doll’s head.

Carefully sew the fins together at one end so that they come together at a point. Then sew the fins to the doll’s body, joining the “point” that you just made with the fins to the body. See photos for placement if necessary, or place wherever you prefer.

Use a yarn needle and a strand of BROWN yarn to embroider on eyebrows.

Use a yarn needle and a strand of BLACK THREAD to embroider on eyelashes.

Weave in all ends.
